Re: Notification of DSHEA nutritional support claims for BioTech Corporation, Inc
Mega Hair Vitamin & Mineral Complex Dietary Supplement

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug and Cosmetic Act ("the Act") and 7 C.F.R. & 101.93 that BioTech Corporation, Inc. is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for the Mega Hair Vitamin & Mineral Complex bears the following statements:

1. "...provides the right amount of key nutrients such as biotin, silica, amino acids and more...."
2. "...provides a synergistic blend of hair-specific vitamins..."
3. "...for the healthiest, fullest hair possible..."
4. "...promotes healthy hair...naturally..."
5. "...for men and women..."
6. "...100% natural..."
7. "...results in as little as 2-3 months..."

BioTech Corporation, Inc has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.
